1. If you have the Amazon App installed you should remove it. To do this, tap and hold the app icon until it starts to jiggle. Tap the cross at the top left of the icon and confirm that you want to delete it. Don’t worry, this will not delete your Amazon account or any of your settings.

2. Now navigate to www.centerfoundation.org, scroll to the bottom of the home page, and click on the Smile.Amazon.com link to open it.

3. Tap the ‘share’ button on the bottom of the screen.
4. Tap the ‘Add to Home Screen’ icon. You may need to swipe to the left or scroll down to see this.

5. You will now have an Amazon Smile icon on your home screen which you can use in exactly the same way you used the Amazon App.
